DEPARTMENT OF PLANT PATHOLOGY

M.F. KERNKAMP FELLOWSHIP

This fellowship was established in honor of former Professor and Head M.F. Kernkamp to recognize outstanding students of the Department of Plant Pathology at Minnesota. It is a cash award ($1,000), given only once to a specific awardee. Students are eligible for only one departmental fellowship/scholarship per year.

QUALIFICATIONS:

Graduate student with a minimum of one calendar year in residence and majoring in Plant Pathology at the University of Minnesota.

Candidate must have demonstrated outstanding abilities in scholarship, research and all aspects of graduate studies, including participation in departmental activities. The fellowship is not awarded on basis of financial need.

SUBMIT:

A nominating letter from the current faculty advisor, a resume, and up to two additional letters of support (from University of Minnesota faculty) to Nevin Young, Chair of the Awards and Honors Committee, by way of Anne Lageson in 495 Borlaug Hall.

DUE DATE: April ________, 2015

PROCEDURES:

The Awards and Honors Committee will review applications and make a recommendation to the Department Head.

ANNOUNCEMENT AND PRESENTATION OF AWARD:

The Department Head will notify the awardee as soon as possible and the award will be presented in May at the annual recognition program.
DEPARTMENT OF PLANT PATHOLOGY

FRED I. FROSHEISER SCHOLARSHIP

This scholarship was established in honor of former Professor F.I. Frosheiser to recognize outstanding students in the Department of Plant Pathology at Minnesota. It is a cash award ($1,000) given only once to a specific awardee. Students are eligible for only one departmental fellowship/scholarship per year.

QUALIFICATIONS:

Graduate students majoring in Plant Pathology at the University of Minnesota.

Candidate must have demonstrated outstanding abilities in scholarship, research and all aspects of graduate studies based on at least one year of proven performance record in the graduate school.

SUBMIT:

A nominating letter from the current faculty advisor, a resume, and up to two additional letters of support (from University of Minnesota faculty) to Nevin Young, Chair of the Awards and Honors Committee, by way of Anne Lageson in 495 Borlaug Hall.

DATE DUE: April ________, 2015

PROCEDURES:

The Awards and Honors Committee will review applications and make a recommendation to the Department Head.

ANNOUNCEMENT AND PRESENTATION OF AWARD:

The Department Head will notify the awardee as soon as possible and the award will be presented in May at the annual recognition program.
DEPARTMENT OF PLANT PATHOLOGY

DR. JOHN DUECK MEMORIAL SCHOLARSHIP

This scholarship was established in honor of former alumnus Dr. John Dueck to support outstanding students in the Department of Plant Pathology at Minnesota. It is a cash award ($1,500) given only once to a specific awardee. Students are eligible for only one departmental fellowship/scholarship per year.

QUALIFICATIONS:

Graduate students majoring in Plant Pathology at the University of Minnesota.

Candidate must have demonstrated outstanding abilities in scholarship, research and all aspects of graduate studies based on at least one year of proven performance record in the graduate school.

SUBMIT:

A nominating letter from the current faculty advisor, a resume, and up to two additional letters of support (from University of Minnesota faculty) to Nevin Young, Chair of the Awards and Honors Committee, by way of Anne Lageson in 495 Borlaug Hall.

DEPARTMENT OF PLANT PATHOLOGY

DR. CARL AND JOHANNA EIDE SCHOLARSHIP

This scholarship was established in honor of Dr. Carl and Johanna Eide to support outstanding students in the Department of Plant Pathology at Minnesota. It is a cash award ($1,000) given only once to a specific awardee. Students are eligible for only one departmental fellowship/scholarship per year.

QUALIFICATIONS:

Graduate students majoring in Plant Pathology at the University of Minnesota.

Candidate must have demonstrated outstanding abilities in scholarship, research and all aspects of graduate studies based on at least one year of proven performance record in the graduate school.

SUBMIT:

A nominating letter from the current faculty advisor, a resume, and up to two additional letters of support (from University of Minnesota faculty) to Nevin Young, Chair of the Awards and Honors Committee, by way of Anne Lageson in 495 Borlaug Hall.

DATE DUE: April ________, 2015

PROCEDURES:

The Awards and Honors Committee will review applications and make a recommendation to the Department Head.

ANNOUNCEMENT AND PRESENTATION OF AWARD:

The Department Head will notify the awardee as soon as possible and the award will be presented in May at the annual recognition program.
This award was established by Professor Emeritus and Retired Extension Plant Pathologist Dr. Ward C. Stienstra and Dr. Richard A. Meronuck, Extension Plant Pathologist, deceased March 18, 2000, to recognize outstanding graduate student research and to support student participation in professional scientific meetings. A cash award of approximately $750 will be given once to an awardee during their studies at the University of Minnesota.

QUALIFICATIONS:

Graduate students majoring in Plant Pathology at the University of Minnesota.

SUBMIT:

A letter of application to Nevin Young, Chair of the Awards and Honors Committee, by way of Anne Lageson in 495 Borlaug Hall.

A. Professional scientific meeting to be attended, date and location of meeting.
B. Extent of applicant’s participation (e.g., present paper, host poster, chair session, attend committee meeting, etc.).
C. A statement of how the applicant’s research will assist disease diagnosis and/or plant disease management.
D. Signature of approval from advisor or co-advisors OR ask for an e-mail message of approval (sent to plpathgp@umn.edu)

DATE DUE: April _______, 2015

PROCEDURES:

The Awards and Honors Committee and Director of Graduate Studies will review applications and make a recommendation to the Department Head.

ANNOUNCEMENT AND PRESENTATION OF AWARDS:

The Department Head will notify the awardees before the department recognition program and the awards will be presented in May at the annual recognition program.
DEPARTMENT OF PLANT PATHOLOGY
